

### **REMARKS**

The disclosure was objected to because of the British spelling of some of the words. The spelling has now been changed to US spelling.

Claims 1, 5 and 11 to 13 have been rejected under 35 U.S.C. 102(b) as being anticipated by Adam et al (EP 0908767).

In response to this objection claims 1, 5 and 11 to 13 have been cancelled from this application.

Claims 1 to 7 have been rejected under 35 U.S.C. 103(a) as being unpatentable over Vaughn IV (US 5022418).

In response to this objection claims 1 to 7 have been cancelled from this application.

The Examiner has indicated that claims 8 to 10 would be allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims. Claims 8 to 10 have been amended in such a way.

In view of the foregoing, Applicant respectfully submits that the claims in their present form are in condition for allowance and such action is respectfully requested.

Respectfully submitted,

---
